

SEP9 SERIES

EP winches at Show Prices!
Order one now, you'll be very pleased you did.

EP9 low profile model at **only £459** plus VAT

EP9 and EPi9 Features are:

- All models fitted with sealed solenoids
- Powerful, reliable series wound high speed 4.6 HP motors
- Quiet, efficient 3 stage heavy duty planetary gearbox
- Automatic 100% load holding external cone brake at the end of the gearbox (ideal when using **Dyneema® Bowrope** as there is no heat build up by the usual in-drum brakes when lowering out)
- 9,000lb pulling capacity, full power in and power out
- Easy to use positive freespool handle
- Durable remote handset with long lead
- Pre-wired ready to use with 2.5m battery leads (can be extended for Land Rovers with battery under the seat)
- Fast no-load line speed - both in and out
- Swingaway snatchblock for doubling the gearing for very heavy pulling
- Standard central bolt down mounting 10" x 4.5". Allow 610mm clearance for bolting into place
- Enormous number sold with a proven track record of virtually no warranty work
- All models come complete with heavy duty roller fairleads and the appropriate wire rope with a safety hook
- Also available as an 'extra over' on all models, **Dyneema® Bowrope** can be supplied in lieu of wire rope and when doing this, we recommend you also fit an aluminium hawse fairlead (as shown in the picture on the right) for an additional £25 plus VAT

Superwinch EP cone braked winches

EPi9

from **GOODWINCH.com**
