TARS 30 AWARD

A certificate of Excellence - Awarded by

The Torbay Amateur Radio Society to all licensed Radio Amateurs or Short Wave Listeners who can produce a log showing that they have Worked/Heard 30 members of The Torbay Amateur Radio Society.

Only members worked/Heard since 1st January 1985 qualify. There is no time limit.

The Basic Award is for Mixed Bands / Mixed Modes.

For UK Stations:-

30 TARS members must be worked/heard, but if the Society stations G3NJA , G8NJA GX3NJA, GB2NJA, GB5OTR, GB6OTR or G3T are worked/Heard they will count for 5 member stations i.e. (G3NJA,G8NJA + 20 members = 30 points)

(Note:- GB5OTR only active during 1997 & GB6OTR during 2007)

(and G3T is TARS Contest Call Sign)

For Outside UK Stations:-

2 Points per Member Station & 10 Points per Society Station. (i.e. G3NJA + 10 Members).

Endorsed Certificates are available for :-

Single Band or Mixed Bands and All FM; All SSB; All CW All RTTY; and/or All QRP; and/or All 2way Mobile. Stations using QRP must state power used (max 5w DC input /5w pep output). For each additional 10 members worked/heard, stickers are available. For Outside UK:- 5 Members.

Special Requirements and Limitations.

a) TARS members worked/heard must be fully paid up members at the time of claimed contact.

b) More than one type of award may be applied for, but a separate log extract must be submitted for each award.

Applications.

An extract of your station log in Call Sign order, showing:-

Call Sign. Date. Time. Band. Mode. Pwr/QRP.
